INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Food For Free Committee, Inc.

Report of the Financial Statements

We have audited the accompanying financial statements of Food For Free Committee, Inc. (a Massachusetts nonprofit organization), which comprise the statements of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Food For Free Committee, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Food For Free Committee, Inc.'s 2017 financial statements, and our report dated July 25, 2017, expressed an unqualified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018 AND 2017

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS

Food For Free Committee, Inc., ("Food For Free"), was organized in 1981 in Cambridge, Massachusetts. Food For Free improves community-wide access to healthy foods through several tactics including food rescue, repackaging of rescued food, distribution of food to community food programs, transportation services for community food programs, farming, and distribution of food directly to children, seniors, and people with disabilities.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Food For Free reports information regarding its financial position and activities according to three classes of net assets:

- Unrestricted net assets represent the portion of net assets that is neither permanently restricted nor temporarily
 restricted by donor-imposed stipulations. Unrestricted assets also include assets the Board of Directors have
 restricted as to use (Board-designated net assets).
- Temporarily restricted net assets represent pledges or contributions and other inflows of assets whose use is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by Food For Free actions pursuant to those stipulations.
- Permanently restricted net assets represent contributions and other inflows of assets whose use is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by Food For Free actions. Food For Free had no permanently restricted net assets in 2018 or 2017.

Management's Review

In preparing the financial statements, management evaluated events and transactions for potential recognition or disclosure through August 7, 2018, the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018 AND 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents and Concentration of Risk

Food For Free defines cash equivalents as short-term highly liquid investments with original maturities of three months or less.

Food For Free maintains some of its cash in bank deposit accounts, which at times may exceed federally insured limits; however, these deposits continue to be covered by The Massachusetts Depositors Insurance Fund. Food For Free has not experienced any losses in such accounts, and management believes that it is not exposed to any significant credit risk on cash or cash equivalents. No amounts exceeded federally insured limits at June 30, 2018.

Contributions and Grants Receivable

Food For Free reports unconditional promises to give as contributions. If outstanding contributions and grants are expected to be collected in less than one year, they are recorded at the estimated amount to be ultimately realized. If outstanding contributions and grants are to be paid to the organization over a period of years, they are recorded at the present value of their estimated cash flows using the prime rate as of the fiscal year-end in the year of donation. Contributions and grants due in excess of one year are reflected net of an allowance for uncollectible amounts based on management's judgment, past payment experience, and other relevant factors. Management considers all receivables at June 30, 2018 to be fully collectible. Accordingly, no allowance for doubtful accounts has been recorded.

Property and Equipment

Property and equipment are stated at cost at date of acquisition or fair value at date of donation in the case of gifts. Purchases of property and equipment in excess of \$2,000 are capitalized. Expenditures for major renewals and improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred. Depreciation of transportation vehicles, equipment and leasehold improvements is provided on a straight-line basis over the following estimated useful lives:

| | Estimated Useful |
|-------------------------|------------------|
| Classification | Life |
| Transportation vehicles | 5 |
| Equipment | 5 |
| Leasehold improvements | 40 |

Impairment of Long-Lived Assets
